Betreft / Subject
Coating tested according to Annex A of the standard NEN-ISO 20340

Dear Mr. Hendricx,

SGS INTRON has tested the Acotec coating system Humidur FP according to the ageing test as defined in the Annex A of the standard NEN-ISO 20340 (NORSOK).

The coating system Humidur FP was exposed for 25 cycles (4200 h) in the ageing test.

SGS INTRON concludes that the coating system Humidur FP meets the requirements of this test.

With best regards,

A handwritten signature in black ink, appearing to read 'I.F.F. Richartz'. The signature is written in a cursive style and is positioned above the printed name.
